

## THREE STATES DEFEAT WOMAN SUFFRAGE

### REPUBLICANS MAKE GAINS IN FOUR STATES; DEMOCRATS ELECT A GOVERNOR IN MARYLAND VOTERS OF EMPIRE STATE DEFEAT PROPOSAL TO ADOPT NEW CONSTITUTION

**New York Rejects Suffrage By 200,000 Majority, Massachusetts By Over 100,000 and Pennsylvania By 150,000—Ohio Votes Down Prohibition While Virginia Elects Legislature Pledged to Enact Prohibition Measures.**

Republicans made gains in four states in the election held yesterday they added a governor in Massachusetts, made general gains in New Jersey and Kentucky and won an additional congressman in New York. Maryland returns indicated that the Democrats had gained a governor.

The voters of the empire state gave suffrage emphatic denial in the voting yesterday. A majority of well over 200,000 New Yorkers voted against the proposed amendment to the state constitution to this end.

**Reject New Constitution.**  
At the same time they defeated even more unequivocally the proposal to adopt a new state constitution. The vote against this measure was estimated at a late hour last night at least 250,000.

Republicans retained their majority in the assembly naming 98 of the 150 members. They also won all of the congressional elections made necessary by deaths in three districts, the twenty sixth, thirty first and thirty sixth.

The voters of Massachusetts denied women the right to vote by a majority of over 100,000.

Samuel W. McCall, (Republican) defeated Governor David I. Walsh, (Democrat) in the race for the governorship. Mr. Walsh was seeking re-election for a third time. The vote was close, and at one time Mr. Walsh was in the lead. The vote in 1,110 precincts out of a total in the state of 1,140 gave McCall, 226,920 and Walsh, 223,729. It was apparent also that the Republicans had elected the entire state ticket below governor.

The Republican furthermore gained twelve seats in the legislature. The Progressive vote in the state was almost negligible but the prohibition candidate for governor got a comparatively heavy vote.

Pennsylvania administered another severe defeat to the aspirations of women to exercise the suffrage. The majority against this measure was estimated at 150,000. The Republicans elected a mayor of Philadelphia, Thomas B. Smith.

In Maryland, another state electing a governor, incomplete returns to a late hour indicated a Democratic victory. E. C. Harrington was leading the Republican nominee, O. E. Weller, by a margin which indicated a final majority of from 5,000 to 7,000. The county vote was very late. Albert C. Ritchie, (Dem.) for attorney general was far ahead of the ticket in Baltimore and the legislature doubtless will be Democratic.

Prohibition measures were passed upon in Ohio and Virginia. The returns from the first state showed the defeat of the measure by a majority of about 40,000, while Virginia, on the other hand, elected a state legislature pledged to enact measures in 1916 prohibiting the sale of intoxicants.

In New Jersey, the next house of the assembly will have 37 Republicans and 23 Democratic members. The Republicans gained two state senators and the next senate will be Republicans 13; Democrats 8.

**Defeat Municipal Ownership.**  
The proposal in the city of Detroit that the municipality purchase the local street railway was rejected. The fight on the question was bitter. The official count from 130 precincts out of 202 was 18,570 votes for the proposal and 19,967 against it.

Both sides claimed the victory but unofficial returns from 92 counties out of 119 in the state showed A. O. Stanley (Dem.) some 13,000 votes in advance of E. H. Morrow, Republican. Several Republican districts were still missing. Republican gains in this state were appreciable.

Democratic successes were recorded in Mississippi. All the candidates of this party for both branches of the state legislature were returned.

**Name McCall Governor.**  
Boston, Nov. 2.—Samuel W. McCall, Republican, was elected governor today defeating Governor David I. Walsh, Democrat, in a close con-

test. With thirty election precincts to be heard from the vote was:  
McCall ..... 226,920  
Walsh ..... 223,729

The balance of the Republican state ticket was elected and the Democrats made a net gain of twelve seats in the lower branch of the legislature with no change in the senate.

The defeat of woman suffrage, by a vote of approximately two to one was indicated by returns from the greater part of the state in the election today. With less than 100 precincts to be heard from the majority against the proposed constitutional amendment was 108,044.

The suffrage leaders, conceding defeat declared that they would begin a campaign immediately.

**Predict Suffrage Defeat.**  
New York, Nov. 2.—The defeat of the suffrage amendment by a majority of 200,000 was predicted and the defeat of the revised constitution conceded at the Republican state headquarters shortly after 10 o'clock tonight.

Returns from 2,467 election districts out of 5,713 in the state on suffrage gives 241,928 for suffrage; 321,418 against.

**Republicans Elect Twelve Mayors.**  
New York, Nov. 2.—Returns from 18 of the larger cities in the state show twelve Republican, five Democratic and on Socialist mayors elected.

**Re-Elect Mayor Lunn.**  
Schenectady, N. Y., Nov. 2.—Rev. George R. Lunn, former Socialist mayor of Schenectady was re-elected today by a plurality estimated at 1,500.

**Buffalo Names Commissioners.**  
Buffalo, N. Y., Nov. 2.—Arthur N. Kreinherder, Charles M. Heald, Charles B. Hill and John F. Malone, were elected city commissioners under the commission form of government effective Jan. 1st.

**Philadelphia Names Republican.**  
Philadelphia, Nov. 2.—Complete but unofficial returns in Philadelphia for mayor indicates a plurality for Thomas B. Smith, the Republican candidate, of 75,000. The vote was Smith (Rep.) 160,312; Porter (Independent) 85,312; Bromley (Dem.) 3,971.

Returns from about one fifth of the state indicate the defeat of the suffrage amendment by 125,000 to 150,000.

On the non-partisan judicial ballot in Pennsylvania Geo. B. Orady and John B. Heald, present justices of the superior court, were re-elected and J. Henry William of Philadelphia was chosen to fill the third vacancy in the court.

No three state officers were voted for this year.

**Defeat Prohibition.**  
Columbus, O., Nov. 2.—Early returns from today's state election indicate that the state wide prohibition amendment was defeated, though last year's wet majorities in several of the large cities apparently were reduced. Prohibition was defeated last night by a majority of more than 84,000.

Political observers early tonight estimated that the majority against prohibition would be at least 50,000. Partial returns showed that the temperance forces made slight gains in many rural districts.

**Elect George Putcha.**  
Cincinnati, O., Nov. 2.—George Putcha, Republican, was elected mayor of Cincinnati by a plurality of about 18,000.

**Name Democratic Governor.**  
Baltimore, Md., Nov. 2.—One hundred out of 136 precincts in Baltimore for governor:

Harrington (Dem.) ..... 13,903  
Weller (Rep.) ..... 12,625  
William F. Broening (Rep.) probably elected state's attorney.

**Republicans Sweep Bridgeport.**  
Bridgeport, Conn., Nov. 2.—The Republicans swept Bridgeport in the four cornered mayoralty election today. Mayor Clifford B. Wilson, who also is lieutenant governor of Connecticut being returned to office for the third time. The unofficial figures:

Clifford B. Wilson, Rep. .... 6,587  
Daniel Lee, City ..... 4,363  
Henry P. Walker, Dem. .... 3,164  
Jasper McLevy, Social. .... 1,409

The voters favored the commis-

### WHITLOCK TRANSMITS REPORT ON EXECUTION

REVIEWS IN DETAIL STEPS TAKEN  
BY HIM AND HIS STAFF

Minister Declares Reports Made by Him Constituted Merely a Recital of Facts—Washington Officials Consider Incident Closed.

Washington, Nov. 2.—Brand Whitlock, American minister to Belgium, has transmitted a lengthy report to the United States government reviewing in detail the steps taken by him and the members of his legation staff in connection with the execution by the German military authorities of Miss Edith Cavell, a British nurse.

The minister declares that the reports made by him on the subject constituted merely a recital of facts, without expression of opinion and that he had submitted them to Ambassador Page at London for his information, but not for publication. In the natural course, the ambassador reporting on the care of British subjects by American diplomatic officers, transmitted the documents to the British foreign office which made them public.

Publication of the letters Mr. Whitlock says, greatly embarrassed him in Brussels with the German authorities, although he adds that the latter now seem satisfied with his explanation and there is no indication of further difficulty. His position from the time the German occupation of Belgium has been a delicate one since he has no diplomatic status as minister to Belgium and is permitted to remain at Brussels only by courtesy of the German military commander.

With the exception of the plea for mercy which Mr. Whitlock himself addressed to the German military governor, after Miss Cavell confessed her guilt of aiding allied soldiers to escape from Belgium, there was no step taken by the American legation in which the German authorities showed any discourtesy. Officials here look upon the incident as closed.

### PREMIER ASQUITH MAKES LONG EXPECTED ADDRESS ON WAR

LONDON, Nov. 2.—Premier Asquith made his long expected address on the war in the house of commons today, his survey which was both retrospective and prospective, being as full of military exigencies seemed to permit. The notable interest in his statement was shown by the crowded house, all the diplomatic peers and visitors' galleries being filled to overflowing.

The premier was given a warm ovation when he rose to speak this being his first appearance in the house of commons since his recent illness. He opened with an expression of regret at the mishap to King George and assured the house that the king was progressing as well as could be expected and that his injuries were not serious.

### ARBITRATION MAY HAVE TO BE RESORTED TO FOR SETTLEMENT

WASHINGTON, Nov. 2.—Seizure of the American steamship Hocking by a British cruiser off the Atlantic coast has brought to issue a question on which the positions of the United States and the entente allies are so far apart that some officials here believe arbitration ultimately will have to be resorted to for settlement. Secretary Lansing cabled Ambassador Page at London today to obtain from the British government an explanation of the facts connected with the seizure of the Hocking and the reasons therefore. When this information is forthcoming the state department probably will protest immediately and demand the surrender of the ship.

**CHARGE OFFICER WITH MURDER.**  
Aurora, Ill., Nov. 2.—A warrant charging murder was issued tonight for Bernard Compton, a policeman who shot Judd Vaughan, a negro, during a raid on a gambling house Sunday morning. The coroner's jury exonerated the patrolman saying the shooting was accidental.

**San Francisco, Nov. 2.—**Michael Scott, owned and driven by Thomas Murphy, won the \$20,000 stake trot at the exposition track here today in three straight heats. The first money amounts to \$10,000. Miss Perfection was second and Spriggin third.

Allie Lou won the trot for three-year-olds, Occident stake with two firsts and a second and Hal Boy took the 2:12 pace in straight heats.

**MINE FOREMAN ENTOMBED.**  
PITTSBURGH, Nov. 2.—Every miner in the Curtisville district near here was today summoned to the shaft of the Ford collieries company, where late yesterday Frank Morgan, the foreman was entombed by a fall of slate. Rescuers working in the workings, toiled throughout the night digging toward the point where Morgan was believed to be buried.

**FAILS FROM SCAFFOLDING.**  
Michael Crowe is kept at his home on Goltra avenue by injuries received Monday when he fell from a scaffold while engaged in painting for George Rodriguez at home of C. S. Richards on North Church street. The accident happened at about 2:30 in the afternoon and Mr. Crowe received bruises which will keep him from work for several days.

### TELEGRAPHIC BRIEFS

WASHINGTON, Nov. 2.—Wirt Dey Tassin, a prominent chemist and metallurgist and formerly connected with the United States national museum, died here today of heart failure after several months' illness.

ST. LOUIS, Nov. 2.—Charles M. Summers, a railroad mail clerk was held by the federal authorities here today on a charge of conspiring to rob the mails. Postoffice inspectors say he has signed a confession.

LONDON, Nov. 2.—King George, who returned to London last night from the French front, is recovering slowly from the effect of his fall from a horse last week.

CHICAGO, Nov. 2.—Differences between Chicago teamsters and employers which threatened to result in a strike, have been settled, it was announced today by Michael J. Gavin, secretary of the Truck Drivers' Union.

GALESBURG, Ill., Nov. 2.—Fourteen children, forty-eight grandchildren and twenty-one great grandchildren, aided Mr. and Mrs. Chris Balmer in celebration of their sixtieth wedding anniversary at Aleto today.

PRINCETON, N. J., Nov. 2.—For the third time within a few weeks President Wilson returned home today to vote. He cast his ballot in an effort to help restore the New Jersey legislature to the Democratic column and to elect two Democrats to local offices.

NEW YORK, Nov. 2.—Capt. Thomas H. Evans, a master diver of Brooklyn, claimed today that he had set a new world's record for depth in diving in the waters of Long Island sound off Stamford, Conn. Evans said he went down 305 feet and remained in the water more than three hours.

SHARON, Pa., Nov. 2.—The Driggs-Seabury Ordnance company today began work on a contract for 116,000 six-inch shells for a foreign government, whose name was not announced. The value of the contract was said to be \$2,000,000. Other orders for munitions already booked are expected to keep the plant in operation for many months.

DES MOINES, Ia., Nov. 2.—Declaring that appalling tragedies like the European war do not mean that God is not in the world, but that men do not build on everlasting virtues, Gov. George W. Clarke today issued his annual proclamation officially designating Thursday, Nov. 25 as Thanksgiving day.

**USSEL CALLS IN MORE THAN  
MILLION DOLLARS FROM BANKS**  
SPRINGFIELD, Ill., Nov. 2.—Owing to unprecedented demands on the treasury more than \$1,000,000 has been called in by State Treasurer Andrew Russell from about 300 depository banks throughout the state. The state's checking balance is about exhausted, it was learned today and this made the treasurer's action necessary, it was said.

### GOVERNOR AND PARTY WILL COME TO JACKSONVILLE TODAY

Make Visit at This Time to Be Present at Open Air School Benefit Concert.

Jacksonville is to be honored today by the presence of Governor Edward F. Dunne and Mrs. Dunne, who will come from Springfield especially for the purpose of attending the concert to be given at the Grand Opera House tonight for the benefit of the open air school.

Dunne will be accompanied by Representative and Mrs. E. L. Merritt and while in the city will be dinner guests of Mr. and Mrs. George E. Doyne. Following the concert Mr. and Mrs. Doyne will give an informal reception at the Colonial Inn in honor of the Gov. and Mrs. Dunne. The interest that the chief executive of the state is showing in the cause for which tonight's concert is given is commendable, indeed, and his presence will add materially to the interest of the occasion.

**CATHOLICS PRAY FOR  
MILLIONS OF DEAD**  
The millions of dead in the battlefields of Europe have brought about a solemn and important change in the calendar rules of the Roman Catholic church. Today is All Souls Day, on which the departed are remembered, and it will be marked this year as a day on which a priest may celebrate three masses. Hitherto only one has been allowed.

Pope Benedict has decreed that the celebrants of the masses shall pray for all those who have been killed in war and those who have fallen because of war since the Christian era began, in addition to their prayers for the victims of the present war.

**PYTHIANS RECEIVE TWO.**  
Jacksonville lodge, No. 152, Knights of Pythias, conferred the rank of page upon two candidates, Roland Stice and Oscar Nelson, at the regular meeting of the order Tuesday night. A luncheon is planned for the next meeting night when work will be given in the second rank.

Miss Margaret Young has returned to her home in Alexander after a visit of several days with friends in Jacksonville.

### FIFTEEN DIE IN STEAMER WRECK

Santa Clara, Portland to 'Frisco, Strikes on South Jetty of Coos Bay

### WOMEN'S FATE UNKNOWN

Vessel Strikes in Heavy Weather and Half an Hour Later Is Reported a Total Wreck

### RESCUE WORK IS DIFFICULT

MARSHFIELD, Ore., Nov. 2.—The North Pacific Steamship company's passenger steamer Santa Clara, plying between Portland and San Francisco, is wrecked on the south jetty of Coos Bay, 170 miles south of Astoria. Ore. and 8 o'clock tonight it was known that at least fifteen of the 48 passengers and crew of 24 have been lost.

Several women and children were aboard but their fate early tonight was unknown. Among the dead is Captain Gus Lofsted, commander of the steamer. The vessel struck in heavy weather in a dangerous position and soon afterward the life boats were reported a total wreck. Aid was rushed from Marshfield, North Bend and other Coos Bay points but rescue work was difficult despite moderating winds.

The Santa Clara left Portland Monday morning bound for San Francisco via Coos Bay and Eureka, Cal. Miss Alice Church of Marshfield, who was among the rescued, reached here tonight.

"I was put into the first life boat about with twenty others but we had not gone far when the boat was swamped. I did not see any of the others after that."

Miss Church was picked up on the beach.

The known deaths as the result of the wreck of the Santa Clara are: Passengers — Bridget, Dunn, Butte, Mont.; Mrs. D. H. Thorne, Hood River, Ogn.; Eugene Gillenwater, address unknown; Infant of J. G. Crowley; Caly Graham, Portland, Ore.; Madeline Rooney, South Bend, Ind.; Mrs. — Hale, South Bend, Ind.; Capt. Gus Lofsted and five members of the crew.

The bodies of two unidentified women have been washed ashore.

### TEUTONS CONTINUE ADVANCE IN SERBIA

INVADERS ARE DAILY DRAWING  
CLOSER TO NISH

At Least Three or Four Big Battles Are in Progress on Eastern Front — Germans Continue Efforts to Approach Riga.

London, Nov. 2.—Premier Asquith's speech in the house of commons on the policy and plans of Great Britain concerning which he did not disclose much more than already was known, monopolizes the attention of Europe tonight and the fighting, although it has been severe on some of the fronts is receiving little thought.

The Austro-Germans and Bulgarians continue their advance in Serbia and are daily drawing closer to Nish, making the position of Serbian army in the north more precarious. It is believed here however, that the Serbians will be able to withdraw to the mountains and resist the invaders until the assistance which the entente allies have promised draws some of the pressure from them.

The British and French troops which were landed at Salonika already are doing this in the south and news of a Russian contingent, which is variously reported as landing at Varna or to be approaching Bulgaria thru Roumania is anxiously awaited.

On the western front, except for some fighting in Champagne, there is little or nothing doing but on the eastern front at least three or four big battles are in progress.

The Germans continue their efforts to approach Riga from the west, the Russians are attacking west of Dvinsk and among the lakes south of that city, while attacks and counterattacks are almost continuous on the Stry river in Volhynia and along the Strpa in Galicia. Both sides are claiming the advantage. The offensive of the Italians against the Austrians also continues, the Vienna reports that it is meeting with no success.

### PETITION BEING CIRCULATED TO CLOSE STORES PART OF FRIDAY

Want Citizens to Boost Big Football Game Between Illinois and Michigan.

A petition to the merchants to close their places of business a part of Friday afternoon to enable the clerks to attend the football game was being circulated yesterday among the business men of the city. One gentleman, a member of a very prominent business house, said he favored the idea. His argument was that the city would like to make a permanent arrangement to help make one, to secure with Illinois and Michigan a football game each Thanksgiving for the city and the college as well. It would draw many here and go much good and if the people show a reasonable interest in the matter next Friday it will aid in the laudatory enterprise.

Then, too, the gentleman remarked that the educational institutions are the most important asset the city has. Under existing circumstances it does not expect to have much in the way of manufacturing and the main enterprise which we have to present to strangers seeking a living place is the educational advantage offered young people in Jacksonville. The students in the various educational institutions of the city have a goodly amount of money in the place during the year and they would be badly missed were they withdrawn and it is the course of duty, wisdom and patriotism to foster and encourage them by every means reasonable within our power and the gentleman quoted thought one very reasonable way was to close the places of business a while Friday afternoon.

**CAMPBELL TO BE SOLE WITNESS  
FOR DEFENSE.**

JOLIET, Ill., Nov. 2.—Those watching the case of Joseph Campbell, the negro convict accused of the murder of the wife of former Warden Allen of the state prison here, were surprised at the announcement of Frederick L. Barnett, attorney for the defendant, that Campbell would be the sole witness for the defense. It will be Campbell's story against a network of circumstantial evidence, if Mr. Barnett's plan does not change.

**General Villa made every effort to provide provisions and water for his thirsty and half starved men. This afternoon apparently he had succeeded. The water supply at Gallardo ranch destroyed two weeks ago by General Calles' men, was restored and a large supply of flour from some mysterious source reached his line. It seemed probable therefore as the evening wore on that Villa had decided to wait until tomorrow before renewing his attack on Agua Prieta, meantime distributing provisions to his men.**

**Wounded Infantryman Dies.**  
DOUGLAS, Ariz., Nov. 2.—Harry Jones, private in Company C, 11th infantry died today of wounds inflicted last night by a bullet from the Agua Prieta battle lines. Jones was shot in the stomach as he stood guard over an army supply wagon several hundred yards from the boundary.

Louis F. Taylor, the civilian wounded during the machine full-scale on the United States customs house yesterday was reported in a critical condition tonight. Taylor's spinal column was injured, paralyzing him. The other American victims of Mexican fire were said to be in favorable condition.

**Send No Additional Orders.**  
WASHINGTON, Nov. 2.—War department officials conferred over General Funston's reports on the situation at Douglas but no additional orders were sent to him. He will continue his instructions about retreating into American territory according to his own judgment but under no circumstances will he cross the border without special authority.

### VILLA PREPARES FOR FIFTH ASSAULT

Funston Removes American Troops from the Trenches on Boundary

### MANY LEAVE DOUGLAS

U. S. Commander Orders Civilians Kept Out of Zone Within Range of the Boundary

### WOUNDED U. S. SOLDIER DIES

DOUGLAS, Ariz., Nov. 2.—With salvos of artillery beginning at 5:17 this evening Villa apparently began preparing for his fifth assault on the Carranza stronghold of Agua Prieta.

Three hours before Major General Funston, who assumed command in Douglas today, removed the American troops from their trenches on the international boundary. This move, coupled with reports that Villa intended shelling Douglas and that General Funston was preparing to interfere in Mexico caused widespread apprehension.

It was stated that no move was contemplated against the fighting Mexican factions unless either were guilty of an overt attempt to endanger American lives and property.

**Many Women Leave City.**  
Many women whose homes were struck by Mexican bullets last night have left the city.

General Funston earlier in the day ordered all civilians kept out of a zone within the range of the boundary.

Infantry battalions were shifted to strengthen the United States army positions facing the Mexican battle field.

Four troops of cavalry ordered from Naco, Arizona, arrived this evening. Three other troops of cavalry have been ordered from Columbus, N. M., to further reinforce the American mounted troops.

Bullets from the Carranza lines kicked up dust close to Major General Funston and Brigadier General Thomas F. Davis, as they strolled thru the danger zones in which two American soldiers were wounded today.

With reference to possible intervention in the Agua Prieta battle, it was pointed out that an attack on either Mexican faction probably would mean fighting both with a large chance that the combined artillery across the border would seriously damage Douglas. Houses on the exposed mesa facing the boundary line were cleared of occupants.

**Artillery Fire Ceases.**  
Villa kept up his artillery fire for a brief period before dark and then ceased. The damage to Agua Prieta seemed to observers on the American side to be confined to two half shattered adobe houses in which a number of women and children camp followers were killed and torn places in the wire entanglements where Villa's Yaqui attempted to storm the town last night.

Ammunition and reinforcements from the east for the Villa army which were looked for shortly after noon were reported coming thru Gallardo Pass late today.

General Villa made every effort to provide provisions and water for his thirsty and half starved men. This afternoon apparently he had succeeded. The water supply at Gallardo ranch destroyed two weeks ago by General Calles' men, was restored and a large supply of flour from some mysterious source reached his line. Here is the last shred of that scrap of paper, the Democratic Platform of 1912. "Our pledges are made to be kept when in office."

**New Section of Teachers' Association.**

One of the paradoxes of the movement to effect a more permanent and close organization of the teachers of Illinois is the tendency for some of the older sections to break into pieces. This, however, upon closer observation, is seen to be entirely in harmony with the original purpose. The larger the number of sections of the State Teachers' Association, the more widely distributed the meetings of these sections, the more easily accessible they will become to the great body of teachers, and the greater will be the enrollment in the State Teachers' Association. It is becoming quite common for the directors in the various counties to close the schools during the sessions of an association which holds its meeting close enough for the teachers to attend. No one need fear that the formation of these new sections will detract seriously from the attendance upon the other sections.

The East Central section of the State Teachers' Association was carried out of the territory of the Eastern Illinois Teachers' Association, and the Central Illinois Teachers' Association. The Eastern Illinois Association met at Charleston on the same days that the new East Central Association met at Champaign. There was a distinct fear that these two sections, meeting at the same time and within sixty miles of each other, would mean a small attendance at both of the meetings. The facts show, however, that the enrollment in the new section was a little over twelve hundred, and the enrollment at Charleston was over thirteen hundred. A new section has effected a temporary organization under the name of the Southwestern Illinois Teachers' Association. This will hold its meetings at East St. Louis and will serve the counties having easy railroad connections with that point.

**Presidential Candidacies.**

By the 1st of May the country will know a good deal about Republican sentiment as respects personalities. The Ohio primary, in which Mr. Taft met his Waterloo in 1912, was in that year held on May 21, and will probably occur at about that time next year. Indiana and Michigan have since 1912 adopted Presidential primary laws for use next spring. The California primaries will occur on May 9. The State of Washington has not provided for a presidential primary, nor has the State of Kansas. Maine is one of the States that since 1912 has adopted presidential primary legislation. It has been both affirmed and denied

**THE PUMPKIN.**

The pumpkin lies yellow, beneath the cold skies. It's luscious and mellow, and ready for pies. So tenderly bear it away from the vine, and slice it and pare it and mash it up fine; oh, put in the spices, surround it with crust and then in three trices we'll eat 'till we bust! My appetite's balky and dull as can be, most viands look rocky, forbidding, to me. Away, from the fritters I turn with a sigh, the coffee's like bitters, and staid is mince pie; the spud and the radish can tempt me no more; they make me feel sadish, the doughnut's a bore I'm tired of the puddin'. I'm sick of the cheese, of things that taste wooden, of parsnips and peas. They give katzenjammer, they weary the eyes; but loudly I clamor for pumpkin pie! The pies that are golden, well seasoned, yet mild, from formulas olden, by housewives compiled! The gods on Olympus are uttering cries: "Oh, mortals, don't skimp us, but send us those pies! Our grub makes us bony, we're in the blue funk; ambrosia is phony, and nectar is punk!"

that Senator Borah has withdrawn his preliminary candidacy, and that he and his friends prefer Senator Cummins. Of the candidates West of the Mississippi, however, Mr. Cummins, however, is the one who shows strength—this being due particularly to the fact that his record is agreeable to the Progressives. Senator Sherman and Mr. Mann of Illinois, have been mentioned, and Mr. Furanks, formerly Vice-President, is said to have support in his own State of Indiana. Of the earlier Ohio candidates, only ex-Senator Burton remains in the field. Gov. Brumbaugh and Mr. Knox have been mentioned in Pennsylvania, and in New York the name of Senator Root is most frequently heard. The only New England candidate who stands out before the country is Senator Weeks of Massachusetts. It is quite possible that the primaries may not bring out the candidate who will ultimately receive the nomination. There is an undercurrent of talk in favor of Justice Hughes; but it is also plain that he could not encourage a movement in his favor, and that his nomination could only come about as a spontaneous act of the convention. There is always much inquiry and curiosity regarding the part that Colonel Roosevelt may play in the next year's election. He is intensely opposed to the methods and policies of the present administration, and it is said that his name may be presented in some of the Republican primaries. But it is also declared, on the other hand, that the Progressive party and the "Bull Moose" emblem will be maintained, in readiness for separate action, unless Republican candidates and platform meet the full approval of those who supported Mr. Roosevelt three years ago.—From "The Progress of the World," in the American Review of Reviews.

**The County Election.**

The result of the election in Morgan county yesterday whereby W. F. Roegge was re-elected member of the county board presents returns which may prove interesting to the student of politics. Morgan county was formerly counted a Democratic county. Jacksonville was listed as Republican, but it was said that the Democratic vote in the county was sufficiently large to offset the city Republican vote. A glance at the returns indicates that Mr. Roegge, a Democrat, carried Jacksonville precinct by a majority of 161, and in some of the Republican strongholds he was the favorite. Scarcely a year ago many Republicans voted for Mr. Roegge and some Democrats voted for Mr. Taggart, and various politicians state that they have never before seen political alignments so much forgotten or changed.

Mr. Roegge stands well in Mercedosia precinct where he lives, and his record on the county board has been such as to entitle him to credit as a good business man. He has shown a great deal of interest in the affairs of the county.

The total vote, as expected, was very light and as one thinks about it, it is strange, indeed, how comparatively little attention the people pay to a county election when only one commissioner is to be chosen. The office is one of the most important in the gift of the people, for the commissioners handle the funds of the entire county and disburse large sums each year. Honesty is not the only requisite for that position but to keep Morgan county in the place where it belongs the services of competent progressive men are required.

The county has been particularly fortunate in the choice of its commissioners in the past, at least from the standpoint of integrity and honesty. While it can not be said that always the most progressive spirit has been shown, yet there has usually been evidenced a desire on the part of the commissioners representing both parties to handle the business of the county in an economical and business-like way. It is time also that during recent years there has not been much of partisan politics shown in the appointment of election officials and in other ways.

The county is fortunate in that it is not under township organization and does not have the vast amount of governmental machinery which exists in counties thus organized. Experience in other counties goes to show that township organization has a tendency to create a vast number of petty office holders whose continuance in power is not for the best interests of the community.

**EVERYTHING IN READINESS FOR BIG BURGEO TODAY**

Soup Making Commenced Last Night and Hundreds will be fed during the Day.

Everything is in readiness for the Old Fashioned burgeo Picnic which will be held today in Central Park. Last evening Isaac Watson assembled his long row of kettles on the northeast corner of the park and by 10 o'clock the soup was boiling. As formerly announced a thousand gallons will be made and the farmers from away and friends they can secure a free bowl by presenting a ticket. 3500 tickets were sent out but the committee feels that perhaps some were overlooked. For this reason have distributed tickets among the banks and anyone who has not received a ticket can obtain one at any bank.

Dinner will be served from 11 o'clock till evening. During the afternoon Jeffries Band will give a special program.

There will also be an interesting display of farming implements, machinery automobiles, trucks, tractors, road machinery and farm and household accessories.

It is certain that a large crowd will be here and that the Chamber of Commerce and business men of the city will extend a most hearty welcome to all.

Samuel Heyman representing the Stein-Block Clothing Company of Rochester, New York was in the city yesterday making arrangements for the handling of that line of goods in this city for the coming season with the Tom Duffner Company.

The Stein-Block line of clothing is recognized as being the highest grade of ready-to-wear clothing manufactured. One of the convincing proofs of this is the fact that Selfridge of London, England adopted this line of clothing for their store in the great English metropolis and have created a revolution in the ready-to-wear business in London.

Hereafter these goods will be handled exclusively in Jacksonville by the Tom Duffner Company.

## SOCIAL EVENTS

### Have Surprise Dinner Party.

A number of relatives and friends of Mr. and Mrs. H. H. DeGroot of Joy Prairie gave a surprise for them Sunday. They arrived at the DeGroot home in accordance with a prearranged plan and several hours were very happily spent. Those present were Mr. and Mrs. William Sweatman of Virginia; Mr. and Mrs. Garrett Tapkin, Mr. and Mrs. William Jordan, Mrs. Mary Davis and daughter, Frieda May, all of Petersburg, Mr. and Mrs. Robert Seney of Chapin, M. C. Brockhouse and John Johnson of Joy Prairie.

### Hallowe'en Social At Business College.

One of the pleasant events of the Hallowe'en time was the gathering last night at the Business college. Over 150 were present to enjoy an evening of fun. All came dressed in various costumes and prizes were awarded, for the best make-ups. Dancing was the principal diversion of the evening and music was furnished by the college orchestra, it being augmented by Claud Jewsbury of Merritt and Edwin Clemmons of Murrayville. The decorations were most unique carrying out the Hallowe'en idea and during the evening some delicious refreshments were served.

### Give Dance at Inn.

Two score of young people enjoyed a dance last evening at the Peacock Inn, given under the management of Alfred Cox. Randall's orchestra furnished the music for a dance program of well selected numbers.

### Will Wed Today.

The marriage of Jacob A. Long of this city and Miss Anna Dufer of Waverly will take place this afternoon at 2 o'clock at St. John's Lutheran church at New Berlin. Rev. Mr. Whitrock, pastor of the church, will officiate.

### Woman's Country Club With Mrs. Cunningham.

The Woman's Country club met Tuesday afternoon with Mrs. James Cunningham, east of the city, and at the conclusion of a program of interest, enjoyed excellent refreshments. "The Waterpower of the World," was the subject of an instructive paper by Mrs. Catharine Magill.

### Entertains Senior Class.

Seniors of the Jacksonville high school to the number of sixty went Monday evening to the home of Lloyd Cully northeast of the city and there enjoyed a werner roast and took part in other Hallowe'en festivities. The party went in two hay wagons and after a supper a part of the young people went to the house and enjoyed games and music for a time. A number of juniors and a few sophomores and freshmen appeared on the scene toward the close of the evening but these too were fed and all returned in thoroughly good spirits and with pleasant memories of the occasion. The seniors were accompanied by seven members of the faculty, Misses Elizabeth Russell, Marie Scott, Ione Kuechler, Anna Brown, Messrs. Paul Morrison, T. P. Carter and Dale Boxell.

### Mrs. Thomas Scott Entertains Club.

The members of the Tuesday Whist Bridge club met yesterday afternoon with Mrs. Thomas Scott, 140 Pine street. Each member was privileged to invite a guest and the afternoon was delightful in every way. Prizes were won at cards by Mrs. Frank Treifger and Mrs. Fred Beggs. Hallowe'en decorations were in evidence and during the hours suitable refreshments were served.

### Cafeteria Lunch at Congregational Church.

Last evening the number two circle of the Congregational church, Mrs. Hutchinson, chairman, served cafeteria lunch in the church parlors and the affair was very pleasant in every respect. As is always the case at that church the bill of fare was excellent and admirably served. There was a large variety and prices were very reasonable. At times the tables were so fully occupied patrons had to wait a time before they could be served and all were loud in their praises of the good things provided. A good many tarried for a social time which was much enjoyed.

## MR. BRANDT AT CHRISTIAN CHURCH SPEAKS ON PLACE OF THE CHRIST

"Christ the Savior" is Theme of  
Address Tuesday Evening—"Man  
and the World in Which He Lives"  
Tonight.

"Man and the World in Which He Lives" will be the subject of the Rev. John L. Brandt tonight at the series of meetings in progress at Central Christian church. A good sized audience greeted the evangelist last night and by all who hear him Mr. Brandt is accounted a speaker of logic and power.

The essential things of life were discussed by the evangelist last night, speaking on the subject "Christ the Savior." Education, government, culture and refinement, he said, are necessary to civilization but none of them will avail for salvation. "There is no other name under heaven, given among men whereby we must be saved than the name of Christ Jesus," quoted Mr. Brandt in bringing out the truths of his discourse.

WOODMAN HOLD INITIATION.

Camp No. 912 Modern Woodman of America held an initiation of candidates Tuesday evening. The class was assembled largely thru to efforts of the efficient deputy, W. A. Moore, who he had the hearty support of the entire membership. After the work a smoker was enjoyed after which the members went to the confectionery of Charles R. Knollenberg where they were treated to a treat. Those in the class were: Howard E. Johnson, Tom H. Buckthorpe, Welby Johnson, William Edgar Austin, Ralph W. Green, Claude W. Swift, Charles L. Hankins, Fremantle W. Carson, Herbert Cassell and Chester Gouveia. The work was exemplified by new degree staff and the lecture after the work was delivered by Joseph Gomes.

The order has been conducting a great membership campaign thruout the entire country the past year and has met with great success. As a comparison and to show what the order is doing it is only necessary to take the figures of September, 1915, and compare them with those of September, 1914. September, 1915, 5,669 members were added while in September of the previous year was 2,719. This shows that the order is very much alive and again united.

## MORTUARY

Coffman.

Edward Coffman, aged 64 years, died at his home 335 South Fayette street Tuesday afternoon at 4:30 o'clock. Death was caused by dropsy from which he had been a sufferer for several months. Deceased was the son of Smith and Sylvia Clark Coffman and was born in Greene county near Carrollton. The family removed here many years ago and this place has since been his home. He is survived by one sister, Mrs. Eliza Matthews and one brother, George A. Coffman, both of this city. His parents and several brothers preceded him in death. Mr. Coffman during all his life followed the occupation of teamster. He was an industrious man and worked at the business until ill health compelled him to retire. He was a member of Mt. Emory Baptist church. Funeral services will be held from the residence, 365 South Fayette street, the time to be announced later. The services will be in charge of the Rev. H. H. DeWitt assisted by the Rev. E. L. Scruggs.

Draser.

Daniel Draser, passed away Monday at 12:30 o'clock at the home of his daughter, Mrs. Edward Wynne in Concord. He was born in Germany, Oct. 22, 1859 and came to Indiana when 16 years of age. After a short residence at Belleville he went to Beardstown and engaged in the blacksmith business. While a resident of Beardstown he was an alderman for nine years and he built the Colonial hotel of that place. He has lived in Concord for the past four years.

He is survived by two sisters, Mrs. Andrew Blanke and Mrs. Frederick Meier of Brooklyn, N. Y., two brothers, John and Philip of Germany and the daughter, Mrs. Wynne of Concord.  
Burial will be made in Beardstown today, the services taking place from the Fourth Lutheran church.

DISCUSS SALE OF SEALS.

The annual campaign for the sale of Red Cross Christmas seals was discussed last night at the November meeting of the Morgan County Anti-Tuberculosis League, held in the rooms of the free clinic on West State street, with Mrs. A. L. Adams in the chair. A committee of three was appointed to have arrangements for the campaign in charge. Reports of the county nurse were heard as well as an account by Miss Olmsted of the recent charities conference at Danville.

SHOW PHENOMENAL  
FREIGHT MOVEMENTS

REPORTS INDICATE GREAT INCREASE IN BUSINESS.

Trunk Railways Which Have Their General Offices in St. Louis Give Out October Reports—One Shipments Unusually Heavy.

ST. LOUIS, Mo., Nov. 2.—Phenomenal freight movements indicating a great increase in the business of the country are shown in the October reports of the trunk railways which have their general offices in St. Louis.

The freight movement on the Missouri-Iron Mountain system for October, 1915, was the heaviest in the history of the road, exceeding by 2,923 loaded cars the number of cars handled in October, 1914—the previous record month—by 3,781 the number of cars handled in October, 1914.

The total number of loaded cars received from "own line" sidings and from connections during October, 1915 was 120,258; and the car movement—counting as a separate movement the shifting of a car from one division to another—was 451,656. This number nearly four times the number of initial car movements, indicates that the long haul traffic was heavy.

Not until October were the car movements for a single day 16,000. Last month, however, on four days the 16,000 mark was passed—on October 22, 23, 29 and 30. Each of these days was a record breaker and the month culminated on October 30, with a total loaded car movement of 16,636.

The October report of the Wabash were not available today, but the traffic earnings for September, 1915, were more than \$200,000 in excess of the earnings for September, 1914.

Practically all this increase was in freight traffic.

Reports from twenty-eight days in October showed that the St. Louis and San Francisco railroad handled 6,689 more loaded cars than for the entire month of October, 1914 and 919 more cars than for the full month of September, 1915.

The October traffic movement of the Missouri, Kansas & Texas, however, showed a decrease over that of October, 1914. This was attributed to the fact that the cotton movement has been late and also grain movement from the southwest. This tardiness is attributed to exceptional market conditions. It is considered noteworthy that while the October grain movement is not phenomenal and in some sections is late the general traffic movement for October was record breaking. The ore shipments from the west have been unusually heavy and the freight movement from east to west—largely of manufactured goods—has shown a great increase.

## DEATHS AT SOLDIERS' HOME.

The record of deaths at the Illinois Soldiers and Sailors' Home, in Quincy, during October was as follows:

James E. Irvin, Co. G., 58th Ill. Inf., age 84 years.

John J. Snyder, Co. C., 6th Ill. Cav., age 78 years.

Thomas W. Lusk, Co. F., 83rd Ill. Inf., age 69 years.

John Ehinew, Superintendent.

L. Murphy, Adjutant.

## STOMACH TROUBLES.

Digestion is largely a mechanical process. When there are stomach troubles there is usually a weakness of the muscles upon which digestion so largely depends. To strengthen these muscles and overcome stomach troubles our druggist, Lee P. Alcott, guarantees Vinol, a reliable non-secret remedy, which contains iron to purify and enrich the blood, the medicinal extractives of fresh cod livers, without oil, and the nourishing properties of beef peptone, all combined in a delicious native wine. If you are suffering from stomach trouble, it will pay you to try it.—Adv.

Kidneys cause Backache. No! They have no nerves, therefore can not cause pain. Listen! Your backache is caused by lumbago, sciatica or a strain, and the quickest relief is soothing, penetrating "St. Jacob's Oil." Rub it right on your painful back, and instantly the soreness, stiffness and lameness disappears. Don't stay crippled! Get a small trial bottle of "St. Jacob's Oil" from your druggist and limber up. A moment after it is applied you'll wonder what became of the backache or lumbago pain.

Rub old, honest "St. Jacob's Oil" when you have sciatica, neuralgia, rheumatism or sprains, as it is absolutely harmless and doesn't burn the skin.—Adv.

## Some Topics of the Farm

## Feeding Baby Beef.

H. E. Kitner, who has for several years been operating the Kitner farm on the Mound road in a very successful way, is feeding 30 head of calves, this fall and winter. Some of them he raised and the other were purchased in Pike county. They average in weight from 450 to 550 pounds and are a little heavier than Mr. Kitner wanted, but he bought them because they were of good quality and it is difficult to find just the size of calves one wants. Mr. Kitner's feeding plan for several years has been to feed calves thru the winter and spring and place them on the early summer market as baby beef. The price of baby beef is usually very satisfactory, ranging from 9 1/2 to 12 cents upward. For this particular class of beef, Mr. Kitner has found the St. Louis market usually better than the Chicago market. He feeds his stock alfalfa hay, silage, ground corn and some oil meal. He has used both cottonseed meal and oil meal but finds the latter brings good results and there is not as much danger from it as with cottonseed meal. However, he has never believed that an excess of cottonseed meal results in blindness for cattle as some feeders have claimed.

Silage in Mr. Kitner's opinion is of the greatest advantage to the cattle feeder, and without it he would consider it extremely difficult for a feeder to profitably follow his business on land worth \$200 an acre or upward. Last year he cut the corn from 19 acres of land into silage and it was thin, but the supply was sufficient to carry fifty head of calves all thru the fall and winter season. This year he has the same amount of silage from a 11-acre tract. Mr. Kitner does not have elaborate feeding quarters, but his shed is large enough to permit the calves remaining there during the day time if the weather is severely cold and they do not have to leave the shed except for drinking water which is only a few feet distant from an opening at the south of the shed. This water is kept slightly warm during the winter season as Mr. Kitner has found the results beneficial in making gains. There is an 8-acre tract of alfalfa on this farm and the production this year was 40 tons or 5 tons to the acre.

A shed especially for the storage of alfalfa was built and it holds something more than 30 tons of loose hay, and is equipped with the fork and carrier system. The wet weather caused excessive growth of foxtail grass in part of alfalfa field, but by cutting at the right time it was possible to get rid of most of this objectionable grass. Mr. Kitner does not claim by any means to know all about farming, but he studies carefully the suggestions made by agricultural specialists, and a year or two ago took the short course at the University of Illinois. He has applied on his farm a number of the principles

exemplified in the instruction work there. One statement made at the university upon which special stress was laid impressed Mr. Kitner greatly and he often quotes it. On a black-board the statement was made that there is more profit in cultivating an acre of corn which produces 80 bushels, than in cultivating four acres which produce an average of 50 bushels to the acre. A great many farmers have never figured on this proposition, but when they do figure it carefully and count in all the costs, they appreciate the truth of the statement.

## Corn for Hogs.

C. R. Carter, whose home is a few miles west of Jacksonville, was asked yesterday if he had begun cribbing corn and he said, "Yes, I have 75 little cribs running around the farm." Mr. Carter has that number of hogs weighing about 125 pounds and if they keep well he intends to feed them the greater part of his corn crop. He says that corn is not dry enough for cribbing, but he is feeding it now regularly to the hogs on his place. Needless to say he is watching them very carefully because of prevalence of cholera in his vicinity. A number of the farmers within a mile or two of his place have lost most of their hogs from this disease.

## Corn Days in the Public Schools.

At the request of many county superintendents, the Superintendent of Public Instruction established Corn Day, upon which programs could be given relating to the matter of corn raising. The day set was the first Friday in November. It soon appeared, however, that the day should be broadened and that all kinds of farm products and farm activities should be represented on that day. Its celebration has taken the widest and most varied character. In some counties, the county superintendent has had a Corn Day in each township, arranging them in an order so that he could be present at each one. To these celebrations have come not only the children of the school and the parents of the children in that particular school district and township, but visitors from other districts and townships as well. In many instances the schoolhouses have been entirely too small for holding the exercises.

For several years, the Superintendent of Public Instruction has published a Corn Day Annual which has been prepared by some one connected with the State University. This year it will be impossible to furnish such an annual. But the great abundance of circulars and books on corn raising and farm activity in general, makes it possible for every county superintendent and teacher to provide an ample program. Every county in the state ought to take part in these Corn Day celebrations. If the first Friday in November should prove to be too early or too late, let the county superintendent set his own day.

## MISS FRANCES TRACY BEGINS WORK—TUESDAY AS HYGIENE INSTRUCTOR

Will Supervise Health Matters in the Schools as Well as at Open Air School—Is Woman of Broad Qualifications and Experience.

Miss Frances Tracy, of Ithaca, Mich., who was appointed by the school board Monday night as instructor in hygiene for the Jacksonville public schools, began work Tuesday and spent the day at the open air school. Miss Tracy will be side having general supervision of the open air school, will look after health matters in the ward schools of the city and from time to time will give talks on things hygienic at the several grade buildings. Miss Tracy is a nurse and a teacher of long experience and comes with excellent recommendation.

Miss Tracy studied first for kindergarten work. On finishing her high school course at Ithaca she went to Alma college and completed a kindergarten course in 1901, going later to the University of Chicago for similar work. She took a course in the Chicago Baptist hospital training school for nurses, graduating with the class of 1909. She is a registered nurse in Illinois, and beside the qualifications mentioned, has practical teaching experience of several years' duration, holding both public school and kindergarten positions. She did kindergarten work in Saluda, N. C., and in 1905 went to Sparta, Minn., where she for two years held a position in the public schools. From 1909 until the present time she has been engaged in nursing, for the most part in Chicago. Miss Tracy arrived in the city Sunday evening and will have residence at 352 West College avenue.

## DEED OF TRANSFER

## FILED FOR WABASH

Some months ago the Wabash railway was sold to satisfy bondholders. Recently the affairs of the road have been adjusted to the satisfaction of the bondholders and the courts. On Tuesday a deed of transfer was filed in the office of Eugene D. Pyatt, circuit clerk and recorder by which the road passed out of the hands of the receivers. The deed is made by Chester H. Krum, special master et al. to the Wabash railway company. The instrument is a lengthy one and the one filed here is one of thirty copies, it being necessary to file one in each county thru which the road is built.

## REMOVES TO JACKSONVILLE.

A. J. Harding, who has been engaged in farming near Woodson has removed to South Jacksonville and taken residence in the Devore property on South Main street.

SCIENCE HILL IS!  
AN INTERESTING SCHOOL

Pupils Are Bright and Show Aptness in Their Studies—List of Those Attending.

In the greatest sermon ever delivered there's a word. "A city that is set on a hill cannot be hid" And it is as true today as it was when said by the Divine One in the Holy Land. Travelers going to Pisgah will notice sitting solidly and conspicuously on a hill a modest and well kept brick schoolhouse which goes by the euphonious name or "Science Hill," and it was to that place that a Journal reporter went. Thursday morning to enjoy a visit with the teacher and pupils. There is a pretty good attendance at the school though all the seats are not occupied.

The pupils will compare well with those seen in other parts of the county though they all were a trifle more timid than some who they managed to ask some questions and then too their looks showed that they were well interested in what the visitor had to say to them. All school ages are represented there and the teacher, Miss Grace A. Roberts must have her hands full with them as there are a good many classes to be heard during the day but none of these are slighted. The pupils look intelligent and seem well satisfied with the building and teacher.

Miss Roberts said she had a good set of directors who were generous in the way of supplies. They are Messrs. J. E. Curry, Charles Caldwell and Riley Spaehover and they try honestly to do their duty by the school which the people have elected them to care for.

There are maps and good boards for practice, in general the library is well stocked and the books as if they were used to good advantage by all. The building is in good repair and is heated by the improved ventilator system. A vestibule serves as a cloak room for the pupils and the teacher screens the windows in front of her charges so they will have as nearly correct light as possible.

There are a few portraits of great men on the walls and some one or ones have cut from books, papers and other sources a good many pictures and placed them on the walls too and the effect is good. The grounds are ample and well shaded and the children have lots of room for play under the trees or in the sun as they may choose.

The visit was much enjoyed by the caller who was courteously heard and cordially invited to call again.

The pupils are:

Girls—Florence Antle, Amy Antle, Carrie Baker, Wilma Baker, Helen Boserkar, Mabel Curry, Mira Cravens, Irene Caldwell, Ruby Harris, Imogene Krear, Elsie Moss, Thelma Probasco, Ruth Stubblefield, Lorraine Wood, Lois Wood, Mary E. Pate, Tilda Witham.

Boys—James Berry, Harold Boserkar, Earl Kroush, Franklin Kroush, Avery Kroush, Everett Moss, Johnnie Probasco, Carl Stubblefield, Leslie Stillwell, Ralph Shepherd, Theodore Harris, Judson Cooper, Orrie Cooper, Eddie Witham.

## THE KNOLLENBERG FIRE.

C. R. Knollenberg requests the Journal to give the additional information secured regarding the fire which took place in the second story of his place of business Monday night. A man had been painting the roof of the building and after washing his hands in turpentine to remove the paint he put the rags in the pocket of his overalls and hung them on a wooden partition in the second story and it was about eight that spontaneous combustion took place and was seen by some persons on the opposite side of the street. It was fortunate that the trouble was discovered so promptly and that the flames did not break out a few hours later.

Mr. Knollenberg says he keeps nothing at all about his place which would cause spontaneous combustion.

Clyde Craven of Pisgah was a business visitor in the city yesterday.

OR STOMACH MISERY  
IN FIVE MINUTES"Pape's Diapepsin" for Sour, Acid  
Stomach, Heartburn,  
Dyspepsia.Time it! In five minutes all stom-  
ach distress will go. No indigestion,  
heartburn, sourness or belching of  
gas, acid, or eructations or undiges-  
ted food, no dizziness, bloating, foul  
breath or headache.Pape's Diapepsin is noted for its  
speed in regulating upset stomachs.  
It is the surest, quickest and most  
certain indigestion remedy in the  
whole world, and besides it is harm-  
less.Millions of men and women now  
eat their favorite foods without fear  
—they know Pape's Diapepsin will  
save them from any stomach misery.Please, for your sake, get a large  
fifty-cent case of Pape's Diapepsin  
from any drug store and put your  
stomach right. Don't keep on being  
miserable—life is too short—you are  
not here long, so make your stay  
agreeable. Eat what you like and  
digest it, without dread of  
rebellion in the stomach.Pape's Diapepsin belongs in your  
home anyway. Should one of the  
family eat something which don't  
agree with them, or in case of an at-  
tack of indigestion, dyspepsia, gas-  
tritis or stomach derangement at  
daytime or during the night, it is

## TANLAC RELIEVED HIM

"Tanlac has made a new man of  
me," said David Rice, a well known  
farmer who resides near Decatur on  
Rural Route No. 6. Mr. Rice has a  
great many friends in the vicinity  
in which he lives. He made a most in-  
teresting statement recently in re-  
gard to his improved condition and  
spoke most enthusiastically of the  
"Master Medicine." He continued:"I have been ill for some time with  
rheumatism and nervousness. I suffered  
intense pain and was unable to  
sleep soundly at night. On damp  
days my rheumatism was especially  
severe and gave me a great deal of  
trouble. My condition reached such  
a state that I was unable to raise a  
pitch fork the pain was so great."I tried a number of remedies, but  
was unable to obtain any great relief.  
I saw this Tanlac medicine advertised  
some time ago, but doubted very  
much if it was what I needed. I  
noticed where a great many people  
were being benefited by the use of  
Tanlac and there were some whom I  
knew. I felt so badly one day that  
I decided to try a bottle of Tanlac  
and see if it would not relieve me."I wish I had purchased it sooner  
for I would have saved myself a  
great deal of suffering. After taking  
some of the medicine I felt better  
than I had in months. Now the  
pain which bothered me for so long  
has entirely disappeared and I rest  
much easier at night. Tanlac cer-  
tainly fitted my case and I can heartily  
recommend it to anyone who is  
suffering as I was."Tanlac was designed especially to  
go direct to the seat of the very  
trouble Mr. Rice suffered with. Many  
similar cases are being reached in Illi-  
nois daily, and the name of Tanlac is  
spreading to the most remote sec-  
tions of the country.Tanlac, the "Master Medicine," is  
now being sold in Jacksonville at  
the drug store of Coover & Shreve.—  
Adv.A CHILD'S TONGUE  
SHOWS IF LIVER OR  
BOWELS ARE ACTIVEIf Cross, Feverish, Sick, Bilious, Give  
Fruit Laxative at  
Once.Every mother realizes, after giving  
her children "California Syrup of  
Figs," that this is their ideal laxa-  
tive, because they love its pleasant  
taste and it thoroughly cleanses the  
tender little stomach, liver and bow-  
els without griping.When cross, irritable, feverish or  
breath is bad, stomach sour, look at  
the tongue. Mother! If coated, give  
a teaspoonful of this harmless "Fruit  
laxative," and in a few hours all the  
foul, constipated waste, sour bile and  
undigested food passes out of the  
bowels, and you have a well, playful  
child again. When its little system  
is full of cold, throat sore, has stom-  
ach ache, diarrhoea, indigestion, colic  
—remember, a good "inside clean-  
ing" should always be the first treat-  
ment given.Millions of mothers keep "Califor-  
nia Syrup of Figs" handy; they know  
a teaspoonful today saves a sick child  
tomorrow. Ask your druggist for a  
50-cent bottle of "California Syrup  
of Figs," which has directions for  
babies, children of all ages and grown  
ups printed on the bottle. Beware of  
counterfeits sold here, so don't be  
fooled. Get the genuine, made by

PLAY BY MEREDOSIA STUDENTSLarge Crowd Witnesses "Hallowe'en  
Adventures" Under Auspices of  
High School.The masquerade social and play  
given by the high school students  
at Ray's Opera House Saturday eve-  
ning drew a large crowd. At 7:30  
o'clock a line of march was formed  
by those masked and keeping time  
with the music marched around the  
hall that the judges might give their  
decisions as to the best personality  
and comical character to which a  
prize was to be awarded. The judges  
including William Pond, Mrs. Frank  
Beauchamp and Mrs. Fred Depp de-  
cided upon "The Gold Dust Twins"  
represented by Misses Mabel Con-

LITERBERRY.

Sam Couts and children of St.  
Louis visited relatives and friends  
here, between trains on Sunday.Miss Georgia Litter, our worthy Post  
mistress and Miss Fern Litter who has  
been visiting at "Litter Towers" for  
several weeks, made our office a  
pleasant call Sunday evening. Miss  
Fern will visit her aunt, Mrs. Abe  
Litter, in the country for a few days  
and then go to Jacksonville for a  
week's visit, before returning to her  
home in Kansas City, Missouri.G. T. Litter returned home Sat-  
urday from Vandalla, Missouri, where  
he has been visiting his daughter,  
Mrs. Margaret Butter and family.  
Mr. Litter looks fine, which proves  
that he has been in good hands dur-  
ing his stay abroad.The Bad Day's brothers of Look  
Out Point, came up Tuesday morn-  
ing with two teams and handled  
wood for B. K. McCarty.Our young friend Charles K.  
Roach has shown his progressive-  
ness, by taking a helpmeet; he wasmarried Sunday to Miss Mollie  
Brown.This young couple will commence  
housekeeping in Literberry, where  
they have many friends, who wish  
them a long and happy and useful  
life.Rev. Mr. Cantrall has been hold-  
ing a revival meeting at Oak Ridge  
for two weeks. Nine persons have  
been converted and lived were bap-  
tized last Sunday.Rev. W. A. Johnson and Rev. F.  
M. Crabtree, both of White Hall,  
have been holding revival services  
at the Baptist church for the past  
ten days. Rev. Mr. Johnson doing the  
preaching.There are good crowds every night,  
and they are well paid for coming,  
for the sermons are excellent, in-  
teresting and helpful, full of gospel  
truths.Sunday afternoon, we drove the  
Mitchell car to Grace Chapel, taking  
Evangelist Johnson along to preach  
for the people, and taking Mrs. J. A.  
Litter along for company; we also  
desired to show brother Johnson the  
good looking people of the Bend,  
and the fine country church we  
Methodists keep up, and to visit  
Rev. A. L. Cain, the pastor of Con-  
cord circuit. The Chapel was filled  
and while Rev. Mr. Johnson preached  
the order and attention was perfect,  
and brother Cain was glad to hear  
the new preacher, who gave us a  
splendid sermon, which so electrified  
the Methodist preacher that he in-  
vited his people to come forward  
and shake hands with the Baptist  
Evangelist. The audience came for-  
ward and kept on coming, then those  
on the back seats came up, and last,  
the choir came around and gave  
our visitor a hand shake. This was  
a regular old fashioned Methodist  
hand shaking and we believe a re-  
vival would be in order right now  
at Grace Chapel, for the members  
are certainly in earnest and ready  
for business.Earnest Roach suffered a sad ac-  
cident when he fell and struck his  
left arm on the pavement breaking  
both bones. He was taken to the  
office of Dr. Mekemson who soon  
dressed the injured arm and the

**CHICAGO MARKETS.**

Union Stock Yards, Chicago, Nov. 1, 1915—Oliver S. Green, with Walter Bros., U. S. Stock Yards, Chicago reports the estimated receipts for Monday, Nov. 1, 1915.

17,500 cattle.  
22,000 hogs.  
21,000 sheep.

New York having permitted shipments thru the state for slaughter, the same being in effect Nov. 1st, caused a better demand for strictly good to choice handies and heavies, and they found an outlet at an advance of 15 to 25c. Some in the 9.40 to 10c class looked every more advance. Demand was short for yearlings and no advance noted, and best yearlings only made 10.35, but not in the fancy class. Nothing extra fine reported in the good to heavy weight class.

16 averaged 1515 at 10.00.  
18 averaged 1494 at 10.20.  
19 averaged 1422 at 10.10.

Ranger sell largely 10 to 15c higher on a run of 2500. Choice natives in short supply. Cheap light stuff mainly unchanged in prices

## MRS. THOMSON TELLS WOMEN

**How She Was Helped During Change of Life by Lydia E. Pinkham's Vegetable Compound.**

Philadelphia, Pa.—"I am just 52 years of age and during Change of Life I suffered for six years terribly. I tried several doctors but none seemed to give me any relief. Every month the pains were intense in both sides, and made me so weak that I had to go to bed. At last a friend recommended Lydia E. Pinkham's Vegetable Compound to me and I tried it at once and found much relief. After that I had no pains at all and could do my housework and shopping the same as always. For years I have praised Lydia E. Pinkham's Vegetable Compound for what it has done for me, and shall always recommend it to a woman's friend. You are at liberty to use my letter in any way."—Mrs. THOMSON, 649 W. Russell St., Philadelphia, Pa.

Change of life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to carry women so successfully through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

It's certainly not wise to wait until the real winter arrives before your coal is put in—it's wisest to buy NOW when you can obtain the clear burning, clean fuel you want and not have to undergo makeshifts because of the delayed deliveries incident to inclement weather, etc.

We are ready to fill YOUR demands with a clean, first-class coal that will satisfy you completely.

## Baby of Future is Considered

Much thought has been given in late years to the subject of maternity. In the cities there are maternity hospitals equipped with modern methods. But most women prefer their own homes and in the towns and villages must prefer them. And since this is true we know from the great many splendid letters written on the subject that our "Mother's Friend" is a great help to expectant mothers. They write of the wonderful relief, how it seemed to allow the muscles to expand without undue strain and what a splendid influence it was on the nervous system. Such helps as "Mother's Friend" and the broader knowledge of them should have a helpful influence upon babies of the future. Science says that an infant derives its sense and builds its character from cutaneous impressions. And a tranquil mother certainly will transmit a more helpful influence than if she is extremely nervous from undue pain. This is what a host of women believe who used "Mother's Friend" during their period of expectancy.

These points are more thoroughly explained in a little book mailed free. "Mother's Friend" is sold in all drug stores and highly recommended for its timely usefulness, its effectiveness and the real help it affords. Ask for it at the store and write us for the book. Bradfield Regulator Co., 511 Lamar Bldg., Atlanta, Ga.

The effect of this splendid external application is an expression of the thousands of women who have successfully used it and recommended it through two generations.

## LESTER REED SUCCESSFUL HOG BREEDER OF MORGAN COUNTY

Well Known Farmer Tells of the Stocks He Raises—Keeps Herd Book With Record of Each Animal.

While corn is king the place of the humble swine is not far behind that of his royal majesty which supplies the food for the porker to consume and anything pertaining to that subject is of necessity interesting to a community like this.

One of the men who have made a success of hog breeding is Lester Reed, residing some five miles from the city on the Vandallia road. Mr. Reed believes in enjoying life and has a pleasant home surrounded by noble trees and a spacious lawn about the house. He has 170 acres of choice land and is prepared to carry on business in the right way. For some years he has given more and more attention to hog raising and is now reckoned among the experts of the county.

For himself he prefers the Duroc Jersey Reds though he says after all the success of the business depends more on the man, his intelligence, and attention to business, untiring study of methods and conditions in an intelligent manner of caring for the stock.

Mr. Reed likes the Durocs because of the following points according to his experience.

Good growers.

Prolific breeders.

Hardy in all kinds of weather.

Good grazers; industrious and not loafers.

He generally plans to raise two litters a year from each sow and endeavors to have the pigs farrowed about March first and September first. One great evil that has attended hog raising in the past has been carelessness in the matter of inbreeding and Mr. Reed takes great care to avoid it.

Keeps Herd Book.

He has a novel plan and while the writer may not have it in mind exactly he thinks he has it nearly so. In the first place Mr. Reed keeps a herd book with a record of each animal that comes on the place, either bought or farrowed, and now that he gives so much attention to the production of pure bred animals for breeding he takes great care that their pedigree shall be clear.

He has a system of cutting small notches in the ears of the pigs so that each animal has its own number and by turning to his book Mr. Reed can tell all about the creature. His plan is nearly as the writer could understand it is this:

A pig has two ears, two sides to each ear. Beginning with, say the outside the right ear the notches in that place in that ear are units; those on the inside of that ear tens; those on the inside of the left ear hundreds; those on the outside of the left ear, thousands. Now suppose he has a pig numbered 6437 in the herd book. According to the above explanation or system he would make seven notches on the outside of the right ear; three notches on the inside of that ear; four notches on the inside of the left ear and six notches on the outside of the left ear. In this manner he can number pigs up to 9999 and it will probably be some time before he exceeds that number and if he does he can begin all over again making a small hole in the middle of the ear to show that it is of the second series.

Mr. Reed didn't say he had a patent on this or a copyright so the writer feels he is not revealing a secret in explaining it and if his understanding of the system isn't right Mr. Reed's pardon is asked. The plan is useful to buyers for when a man comes for a second animal he can at once know he is not getting two that are akin.

Mr. Reed has his gilts begin to farrow when a year old and takes great care of them all the time. He gets stock from all parts of the land from Minnesota to Kentucky and takes great care that his strains are pure and eligible to registry.

Feeding Important Item.

Much depends in the feeding and of course a somewhat different plan is pursued when feeding for breeding from the plan when preparing the stock for market as breeding animals must not be too fat. The first few months of the animal's life he feeds much tankage and shorts in a slop and after that tankage and corn. In summer he pastures on clover or alfalfa and things much of both for hogs. His hogs fattening for market he turns into the corn field and lets them gather the crop which is a success when the weather is not especially wet as they get all the grain and have the benefit of the grass and contents of the field. Even in summer when the animals are on grass he lets them have some tankage and in the winter he often uses self feeders when he doesn't turn the hogs into the field. In these he feeds shelled corn and his tankage in another feeder and with access to both a hog will generally balance his ration all right.

His fall pigs he gets through the winter on lighter feed and if for market he begins to push them as soon as pasture is ready and so it sometimes happens that a spring pig will mature for market almost as soon as one farrowed in the fall. He gets his hogs for market ready generally at eight to nine months and has them weigh from 200 to 250 lbs. each which is as much as is best for the highest price as extra heavy hogs are not much in demand as formerly.

Believes in Vaccination.

He believes in vaccination and is certain it pays him well. He says a pig should be treated when weighing about fifty pounds. See that it is healthy, that you have perfect serum and then take good care of the animal for at least two weeks afterward as it will have some fever and should be treated carefully.

New Hog Houses.

He has a new hog house which comes wonderfully near being a hog palace. The floor is concrete, lower

in the middle than at the sides so that it can be easily washed and cleaned. It is 24 by 100 feet on the ground, sides five feet high, with gable roof. It is arranged with gates so that it can be thrown into two apartments or one at pleasure. It has a capacity for 24 breeding pens each 7-1/2 feet by eight and these are so arranged that they can be all thrown into one with the rest of the shed. Then the front partitions of the pens are so fixed that the small pigs may be let out into the wide alley way between the rows of pens and feed if desired. Two pens may be thrown together or the whole shed may be made into one apartment.

There is a small feed fixing room, a well in the center supplying pure water, a stove for heat in winter and on the south side in the roof are windows protected by wire screens and placed so that the sun will shine into the breeding pens in cold weather.

**RESTA WINS HUNDRED MILE RACE AT SHEEPSHEAD BAY SPEEDWAY**

Establishes a New American Record and an Average of 105.39 Miles an Hour.

New York, Nov. 2.—Dario Resta won the 100 mile automobile race for the Karkness gold challenge cup and \$5,000 in cash at the Sheepshead Bay speed track today. His time for the distance 54:55.71 establishes a new American record and an average of 105.39 miles an hour. The Brookland, England, world's record for 100 miles is 56:29.33, which is 25.78 seconds faster than that made by Resta today.

Resta also beat the Chicago record of 58:54 which he made himself. Bob Burman finished second in 58:33.95 and Edward Rickenbacker was third in 61:00.59.

Six cars started but John Aitken was forced out of the race after leading for the first ten miles by a broken connecting rod. Ralph De Palma's car met with a similar mishap after going forty miles.

Ralph Mulford the other driver might have been second, if not the actual winner, had he not been compelled to go to the pit five times during the race because of flat tires.

**MINOR LEAGUE OWNERS MAKE PLANS FOR TRIP TO FRISCO**

CHICAGO, Nov. 2.—Twenty two minor leagues, as compared with forty seven last year are now in existence, according to officers of the minors making plans today for the trip of the magnates to San Francisco, where next week the annual meeting of the National association of professional baseball leagues will be held. Each of the leagues will be represented it is expected. Some discussion of retrenchment may take place at the meeting but most of the leagues which weathered the storm of last summer already enforce their salary limit rules very strictly, it was said.

**COMMUNICATION.**

Editor Journal:—Since reading the account of the horrible fire in Peabody, Mass., where 22 children lost their lives, I think it would be well for the proper authorities to make an inspection of some of the school buildings in our city. There is one ward that has no fire escapes. There is only one stairway leading to the second story. Right under this stairway the heater or furnace is located. If a fire were to break out it would most likely be in this part of the building and then the only escape would be from the second story windows. There is also a school building in the first ward which has every door swinging in instead of out which is contrary to the laws of Illinois. This law should be strictly enforced with regard to school buildings and many other buildings where they are used for large assembly of people. I believe I am voicing the wish of every citizen of Jacksonville with regard to the precaution which should be taken against fire or other panic causes for the protection of the children and the teachers in charge of them.

A Citizen.

Mr. and Mrs. O. E. Conklin have departed for their winter home in California and will reside at Long Beach and other places till warm weather at home brings them back to Jacksonville.

**NOTICE OF EXAMINATION.**

The examination for teachers' certificates will be held in the office of the county superintendent, Thursday and Friday, November 11 and 12. All persons wishing to take the examination are required to file application blanks. Saturday, November 6th will be the day for filling and filing blanks. For further information call on or write H. H. Vasconcellos, County Superintendent of Schools.

## MILLIKIN ATTRACTION AT ILLINOIS REUNION

CHAMPIONSHIP GAME TO BE PLAYED BETWEEN COLLEGES.

Greatest Crowd Yet Recorded at a Football Game Expected Friday—Coach Harmon Putting His Men Through Hard Drill.

The twelve hundred visitors who attended the last football game on Illinois field is expected to look same in comparison with the crowd that is expected at the Home-Coming at Illinois Friday, when Millikin university will be the special attraction. The game promises to be a decisive one, in that the championship of the minor college conference hangs on its results. If Illinois wins it will mean that the title will be clear, for their is not much danger from the Lincoln and Carthage games. If the Decatur school is successful, they will still have to defeat Wesleyan university, whom they play a week later.

**Illinois Games.**  
Oct. 9—Illinois, 14; Lombard, 7.  
Oct. 17—Illinois, 27; Normal, 0.  
Oct. 24—Illinois, 40; Shurtleff, 6.  
Oct. 30—Illinois, 21; Wesleyan, 3.

**Millikin Games.**  
Oct. 2—Millikin, 19; St. Louis U. Freshmen, 9.  
Oct. 17—Millikin, 60; Shurtleff, 0.  
Oct. 24—Millikin, 13; Lombard, 13.  
Oct. 30—Millikin 13; William and Vashti, 6.

**Millikin Looks Strong.**

Coach Harmon is grooming his men for the game, which he believes will be the hardest fought of the calendar. Last night the eleven as well as the second team were put through a stiff drill and nothing will be overlooked to strengthen the squad in everyway. Millikin's victory over the strong William and Vashti team on the Aledo grounds is another indication of the strength of the Decatur men, as everyone knows that W. and V. are a tough proposition on their own pasture. Joe Catlin, of whom it was reported from the Millikin camp that he would not be able to get in the W. and V. game and probably not in the Illinois-Millikin game was on hand last Saturday and it was his reliable toe that helped Catlin win the contest for his team. Catlin was reputed to have been hurt in the game against Lombard. He is one of the dangerous men of the vision great deal upon his spectacular playing to annex the contest. Catlin is a former Springfield player. Johnson is another good ground gainer for Millikin, playing right half back and Mac Wherter, full back, has been playing some great football this fall. In the game with W. and V. Millikin used the forward pass for big gains and in this style of playing they compare well with Wesleyan.

**Old Time Rivalry.**

The old time rivalry which has always existed between the two schools will add the necessary "pep" to make the game a thriller. In the hearts of the Illinois men there is just a wee bit of revenge for they well remember the wallowing Millikin gave them last fall at Decatur when the score was 19 to 6.

Just what plays Millikin has held in reserve, if such has been the case during the season, they will surely have to uncock at the contest Friday. Coach Harmon is busy also in settling the question of officials, and it will probably be two or three days before they are fully known. It will be arranged to start the game at 3 o'clock so as to give the business men an opportunity to get down town in the afternoon and clear the business boards in preparation for the battle.

It is thought that Millikin will bring along a large number of rooters and followers of the sport as the train facilities are the best. On returning the team can leave here on three different trains.

The Decatur Herald in speaking of the coming game says:

**Stronger Than Ever.**

Millikin came out the battle with William and Vashti stronger than ever. Center Yockey is suffering from a strained tendon in his leg, but he will be in the game against the Jacksonville eleven Friday, Joe Catlin, whom it was feared would show the effects of the hard game in Aledo, has greatly improved and declares that his shoulder did not bother him Saturday in the least.

Catlin is the man who may bring back a victory from Jacksonville. Any time Millikin is within the Illinois college 40-yard line, Catlin may be counted on to try for a place kick, and the veteran has added goals from within this line, a great many times.

**Satisfied With Backfield.**

The backfield is counted on by Coach Wann, to prove just as strong as that of Illinois college. McGowan and L. C. Johnson are playing wonderful football, while Mac Wherter has proved to be the best full back that ever donned a Millikin uniform. Cox and Holcomb are two powerful ends, considered by the majority of critics equal to the veteran Frisbie on the Jacksonville team. Both are fast and have proven that they can get down the field under punts, catch forward passes and break up interferences. Catlin and Reeter are two tackles of ability while Goltra and Sutherland are playing brilliant football at the guard positions. Yockey a playing at the center position is well known, this former high school player being one of the sensations of the team this season.

Millikin this season has one of its hardest fighting elevens in years. None of the men ever quit in a football game and the same fight is in the players when the score is against them as well as when they are in

the lead. This fact was clearly shown in the Lombard game.

**Plans Busy Week.**

Coach Wann will be busy this week in preparation for the championship game Friday. All of the men will be sent through long drills ever night of the week. Only one scrimmage will be given the regulars, and this will be staged about Wednesday, giving the players one day's rest before the game.

**Knows Illinois Signals.**

Millikin scouts have been watching the Illinois College eleven in every game this season, and the plays and signals for Coach Harmon's eleven

are well known to the local players. The second eleven has been given Illinois College plays and formations, and the varsity has found practically no opposition in breaking up the defense.

**PLAY CLEAN GAME.**

New York, Nov. 2.—Because of the criticism of Georgetown's playing in its game with the Army at West Point on Oct. 23rd, football officials watched closely today's game in which Georgetown defeated Fordham 13 to 7 and later expressed the opinion that it was one of the cleanest played contest ever staged here.

## DEATH CAME AT EARLY HOUR THIS MORNING TO EMIL O. MAYER

Deceased Had Long Been Trusted Employee of the Journal Company—Spent Most of Life in This City.

Emil O. Mayer for a quarter of a century foreman in the composing room of the Journal passed away at 1:20 o'clock this morning at his home 706 West North street. Mr. Mayer had been ill for a number of months but there seemingly was a chance for his recovery until last Sunday when there came a sudden change in his condition. During his long illness the deceased had received the best possible care from physicians and from his devoted family, but the weakened constitution could not survive the long strain and the useful life went out, at the hour mentioned.

Emil O. Mayer was born at Sycamore, Mo., in 1860, the year that the great civil war opened. As a mere boy he went with his parents to Jefferson City and that was his boyhood home. Subsequently he spent a number of years here in Jacksonville and Morgan county with an uncle and then went to Cass county where he learned the printers' trade with John J. Bunce, who was at that time conducting a paper in Virginia. March 17, 1887, he was married to the daughter of his employer, Miss Jennie Bunce, and for a short time their home was in Virginia and they then came to Jacksonville.

Mr. Mayer was employed on both the Journal and the Courier as an extra printer and twenty-eight years ago he became a regular employee of the Jacksonville Journal company. He served in the composing room for a period of years and then because of the confidence reposed in him by the company, was appointed to the position of foreman. For nearly twenty-five years he held that position and in the discharge of his duties he was dominated by the faithfulness which characterized his whole life.

Faithfulness was the keynote to his character and the word was applicable to him in relation to his family, his church and his employers. He was a man of quiet, kindly disposition, ever on the alert to be of service to others. For a long period he had been a member of the First Baptist church and lived a consistent Christian life. He was especially devoted to his family and the great sorrow which came to him thirteen years ago when he lost Edward, his eldest son, had followed him all through the years.

Mr. Mayer was a member of Jacksonville lodge No. 570 A. F. & A. M. and had always taken an earnest interest in that order. He was also a member of Illini Lodge No. 4, I. O. F., Typographical Union 356, of which organization he had been secretary for a great many years, and Camp 132 M. W. A. He is survived by his widow, two daughters, Marguerite and Marie, and a son, Frederick W., his mother, Mrs. Margaret Opel of Jefferson City, Mo., one brother, Louis Opel, of Jefferson City, and four sisters, Mrs. Anna Love and Mrs. Tilda Kierns of Jefferson City, Mrs. Katie Rabshal and Miss Mollie Mayer of Higginsville, Mo.

Mr. Mayer had not been in robust health for three years and for six months past had not been able to attend to the duties of his position. His final illness covered a period of eleven weeks and the complication of diseases from which he suffered caused him great pain, but he bore suffering with a calm and resigned spirit. His life was such that he was ready to step out into the beyond and for him there is the certainty of that rest and reward which is promised to those who walk uprightly and have laid up their treasure in Heaven. Emil Mayer was a good man, clean in thought and act, honest and faithful in all things and so his record is written in lines that will not fade as time goes on.

Arrangements for the funeral will be announced tomorrow.

## HELD GOOD ROADS MEETING AT PRENTICE

About forty men attended a meeting held at Prentice Monday night to arouse interest in the matter of improving a portion of the road which will be a part of an improved road from St. Louis to Peoria. Pledges were made to cover the expense of grading for a distance of six miles. J. H. Bubbs, Walter Robinson and John Stice were selected to represent the Prentice neighborhood at a general meeting which will be held in Franklin Friday night.

## MINISTERS ELECT OFFICERS

"The Transformation of Arie," was the title of an address by the Rev. John L. Brandt, to members of the Jacksonville Ministerial association Monday forenoon assembled in regular meeting at the Y. M. C. A. The meeting was called to order by the Rev. Percy W. Stephens, retiring president. The Rev. M. L. Pentus was chosen president and A. L. Sander, secretary, at the annual session which was held at this time.

## LONG AUTO TRIP

Mr. and Mrs. Oliver Hamm, Mrs. Sarah E. Boyce and Miss Elizabeth Kinkaid of Springfield who is visiting Mr. and Mrs. Hamm took a long automobile trip Sunday. They left here in Mr. Hamm's Overland and went to Springfield, and from there to Mt. Pulaski, Bloomington, Pekin, Delevan and back to Springfield and thence home. The journey covered 298 miles and the party enjoyed the trip immensely.

Mrs. Margaret Opel of Jefferson City, Mo., arrived in Jacksonville yesterday on account of the illness of her son, E. O. Mayer. His sister, Miss Melba Opel of Higginsville, Mo., is also here.

## LIGHT COMPANY FILES BRIEF IN THE CITY RATE CASE

Claims Local Investment Is Near Million Dollars and That Fair Return Is Not Earned—The Cost of Betterments.

The brief filed by the Jacksonville Railway and Light company with the Illinois county commission sets forth that the company's total investments in the Jacksonville properties is \$980,523.03. It is argued that on this basis the earnings of the company do not show even a reasonable profit. The brief was prepared by H. I. Green, attorney for the Illinois county commission and is very voluminous in its argument. Mr. Green dwells upon the importance of the case because it is the first one of its kind upon which the commission has been asked to rule. Mr. Green declares that the finding which will be made by the commission is of far more importance than the mere question of fixing the rates in the city because men who have capital to invest in the securities of utility concerns will be greatly influenced by the commission's finding.

**Property Figures.**  
The figures indicating the company's investment of nearly one million dollars in the Jacksonville properties are based upon the statement that the company purchased the physical property of the electric and gas plants here for the sum of \$466,905.55. Then the purchase of the physical property of the railway company was made for \$200,306.49, he total original investment thus becoming \$666,612.44. It is claimed that additions made to the properties during the years from 1905 to the present bring the total investment up to Aug. 31, 1915, to \$982,823.03. The claim is made that notwithstanding the additions made to the plant that since 1911 the revenues have decreased, and that for last year the company earned a return of about seven and three tenths per cent to cover the depreciation, and interest upon the capital. This would mean, figuring depreciation at only four per cent that three and two thirds per cent was the interest earned.

**Cost of Betterments.**  
The expenditure for additions year by year are given as follows:  
Additions in 1905 . . . \$1,271.44  
Additions in 1906 . . . 25,581.34  
Additions in 1907 . . . 32,459.25  
Additions in 1908 . . . 6,130.45  
Additions in 1909 . . . 17,191.88  
Additions in 1910 . . . 85,258.16  
Additions in 1911 . . . 39,783.88  
Additions in 1912 . . . 3,982.02  
Additions in 1913 . . . 11,174.86  
Additions in 1914 . . . 42,526.48  
Eight months in 1915 . . . 57,899.82  
Figures with reference to the capital stock and bonds of the company are given to indicate that the total amount of capital stock, bonded and floated indebtedness outstanding against the company is \$1,028,998.59.

## Claim Rates Not Excessive.

In concluding his argument said: "The fair value of the property of this utility upon which the rate of return should be allowed is something in excess of \$800,000. The fair rate of return could be at least 8 per cent per annum, to be paid upon this fair value; it must earn a sufficient amount to accumulate a depreciation reserve of approximately 3 per cent annually on the value of the property used and useful in the gas department, and approximately five per cent annually on the value of the property used and useful in the electric and railway departments; it must also earn approximately 1 per cent on the fair value of its property, to authorize the discount upon its bonded indebtedness.

"The necessity, therefore, proves conclusively that the rates now being charged for the public service furnished by the respondent company in Jacksonville are not excessive.

## Earning Not Unjust.

"If any experiment is to be made in the matter of the reduction of the rate of the electric department, to a very limited extent, in order to try to increase the volume of business and thus increase the revenue, that problem should be worked out by the company itself. That is no matter of regulation, but it is one of management, beyond the jurisdiction of the commission."  
"It being clear that no unjust burden now rests upon the citizens of the city of Jacksonville by the rates now being charged and collected by the respondent company, the finding in this case should be that the averments of the petition should be denied or dismissed, leaving the respondent to the free exercise of those prerogatives incident to the management and operation of its own property, it having established by the record that it is not earning, and has not earned, any unusual, unreasonable or unjust return upon its investment in the property operated by it in the public service at Jacksonville."

## RELATIVES OPPOSED TO GIRL MARRYING A CHINAMAN

According to the Decatur Herald the relatives of Miss Frances Pearl Hess of Decatur who was married in this city last Saturday to James S. Long, a Chinaman, were greatly opposed to the marriage. They also say that the girl is just a little over sixteen years of age. The Herald says that States Attorney Tilton may investigate the matter. There is no doubt but that States Attorney Tilton will take the matter up if the girl's relatives come here and lay the matter before him. However, he can't take action otherwise because as far as he knows the girl is of legal age as Long when he secured the license gave the Hess girl's age as 18 years. The law is plain enough in the matter and the penalty is severe.

## FUNERALS

### Ward.

Funeral services for the late Albert Jay Ward were held from the family residence, 629 South Diamond street Tuesday afternoon at 2 o'clock. The Rev. George Dunlop of Springfield, assisted by the Rev. J. F. Langton, rector of Trinity church was in charge. Music was furnished by the choir of Trinity church. There were many floral offerings and these were cared for by Miss Rose Bellatti, Mrs. C. E. Blagrove, Miss Fannie Wakely and Miss Florence Ward.

Interment was in Diamond Grove cemetery and the bearers were: H. M. Andre, J. G. Ames, W. T. Capps, Walter Bellatti, S. O. Barr, W. E. Velch, F. W. Bolton and W. T. Brown.

Among those here to attend the funeral were Mr. and Mrs. C. H. Hurt of Barry; Miss Frances K. Ward and Mr. and Mrs. W. L. Moore of Bloomington; Clifford E. Ward of Batavia, Leland Jay Ward of Peoria, Henry Perbix and Frank Burnham of Chapin.

### Thorndyke.

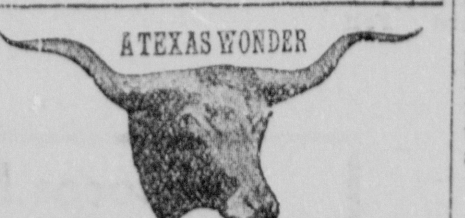

The funeral of John L. Thorndyke was conducted from the undertaking parlors of Williamson and Cody, Tuesday morning at 10:30 o'clock in charge of Rev. Myron L. Pontius, pastor of the Central Christian church. A large number of the members of Matt Star Post were in attendance and took part in the exercises at the grave.

Burial was made in the Diamond Grove cemetery and the bearers were C. Riggs Taylor, R. D. Wallace, Robert Mawson, Thomas Reeve, C. E. Mc Dougall and W. C. Green.

### Coons.

The funeral of Deloris Pierce Coons took place from the family residence, 817 Beasley avenue, at 2:30 o'clock Tuesday afternoon. Rev. Percy W. ### VIRGIL WEBSTER EDWARDS WEDS MISS FLORENCE OWEN

Jacksonville Young Man Weds Bloomington Girl—Will Reside in This City.

Virgil Webster Edwards of this city and Miss Florence Owen of Bloomington were united in marriage Tuesday evening at 8 o'clock. The ceremony was held at the home of Mr. and Mrs. G. W. Flagg at 623 E. College St., the home which the groom has already prepared for his bride. The couple were accompanied by William Erney and Miss Rose Edwards, a sister of the groom. A small company of intimate friends witnessed the ceremony. After the ceremony the couple received the hearty congratulations of their friends and a suitable wedding supper was served.

Miss Irene McAvoy played the wedding march from Mendelssohn as the bride and groom entered the parlor and during the service she played "A Melody of Love." The bride wore a traveling suit of blue broadcloth and wore a corsage bouquet of roses. The bridesmaid was attired in a dress of black silk and wore a red rose corsage bouquet. A wedding cake was cut during the luncheon and search made for the tokens. A number of handsome presents bespoke the esteem of good will of a number of friends of the bride and groom.

Mrs. John W. Clark of 1122 East Taylor street, Bloomington, with whom the bride has for a number of years made her home, was among the guests.

The groom is one of Jacksonville's well known young men. He was for a number of years in the employ of the Wells Fargo Express company. For some time past he has been in the employ of the Jacksonville Packing company and is highly regarded by his employers. The bride is a native of Bloomington and has a large number of friends in that city. She has visited here a number of times and has won many friends by her charming manner. Mr. and Mrs. Edwards begin life under very auspicious circumstances and will have the best wishes of a large number of friends for many years of wedded happiness.

Among the many attractions on the square today the ladies will appreciate the rare opportunity of securing an assortment of Ladies' Fur Garments, Muffs, and Neck-Pieces weldom shown here by calling at FRANK BYRNS' Hat Store, S. W. corner Square.

### EXECUTIVE BOARD OF WOMAN'S CLUBS HOLDS BUSINESS SESSION

The executive board of the Federation of Women's Clubs had a meeting in this city recently for the purpose of discussing a definite plan of work for the coming year. Mrs. Lurton, president, was in the chair and Mrs. Hinrichsen, secretary was present, together with the chairmen of the different committees; also the following vice presidents: Mrs. Crum of Litchberry; Mrs. Lukeman of Pisgah; Mrs. Cully of Salem; Mrs. Peterson of Jacksonville; Mrs. Cratz of Concord; Mrs. Burch of Franklin; Mrs. Anderson of Chapin; Mrs. Strawn of Markham and Mrs. Dinwiddie of Arcadia.

Reports from each of these regarding the work in her precinct were heard. Mrs. Lukeman said she had visited the three schools in her precinct. The good work of the Mound club was told by Mrs. Strawn. Several ladies had suggestions to make regarding improvements and uplift in their various localities and all present felt that the conditions generally were encouraging and the prospect for good work bright.

### BEARDSTOWN REMAINS IN WET COLUMN BY VERY DECISIVE MAJORITY

Women Voted Dry but Men Were so Strongly in Favor of Saloons that Wets Won by 426—Results in Other Towns.

Beardstown, Ill., Nov. 2.—Beardstown today voted to retain its saloons by a majority of 436. This was the first time since the passage in 1913 of the equal suffrage bill that the Beardstown women have had a chance to vote on the liquor question and they registered a majority in favor of local option.

The vote: Dry: women 640; men, 394. Wet: women 522; men 948. The vote shows an increase in the "wet" column, as the majority for saloons in the last election was only 133.

Thebes, Ill., Nov. 2.—Thebes went dry by a majority of 82 votes today. Coulterville, Ill., Nov. 2.—This city voted to remain "dry" by a majority of 215.

Percy, Ill., Nov. 2.—Percy went from the "dry" into the "wet" column today by 20 votes. East St. Louis, Ill., Nov. 2.—The following results in local option elections in Southern Illinois were reported tonight.

Metropolis—dry by 21 votes. Pinckneyville—dry by 243. Baldwin—dry by 9. Willisville—wet by 153. Mounds voted to remain wet. Grand Chain and Mullen voted to remain dry.

### MR. ROEGGE IS RE-ELECTED MEMBER BOARD OF COUNTY COMMISSIONERS

Defeated Mr. Taggart the Republican Candidate By Majority of 448—Light Vote Was Polled All Over County.

The election for county commissioner passed off quietly Tuesday and resulted in the election of William F. Roegge the Democratic candidate by a majority of 448. Only about fifty per cent of the vote was polled and but little interest shown in the election and neither side had any workers at the various polling places in Jacksonville precinct and no effort was made to get out the vote.

The figures from the various districts show some interesting facts. In No. 5 and No. 8 both strong Republican precincts Mr. Roegge ran ahead of Mr. Taggart the Republican candidate. In Mercedosa where both candidates live, a large vote was cast and while Mr. Roegge carried the precinct by 76 votes Mr. Taggart received a splendid vote when it is taken into consideration that the precinct is democratic by a large majority. In Jacksonville precinct which is normally republican, Mr. Roegge defeated Taggart by 161 votes. The unofficial returns:
